# ONLINE SUPPORT

For those who seriously decided to save water, as well as switch to a pro-ecological nature of housekeeping, online support was organized as part of the webinar.

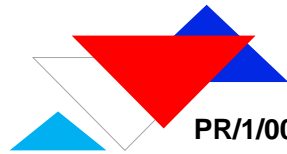

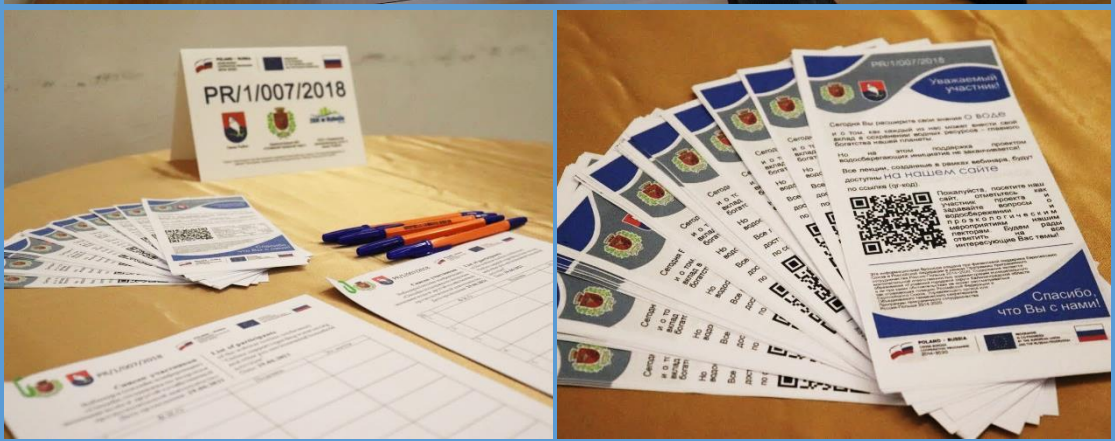

## ASK A QUESTION TO AN EXPERT

Anyone can ask lecturers and experts any questions on water saving throughout the entire period of the project (until June 2022) through a special form on the project website <https://glnsharina.wixsite.com/cbc-plru-007>, leaving their name and email. Here the training materials of the event, photos, video recording of the conference and other information are available.
